What is this type of insurance?

The Prestige variation of our standard Motoring Policy is available for classic and vintage vehicles & motorcycles. Three levels of cover are also available – Comprehensive, Third Party Fire & Theft and Third Party Only (which is compulsory in Malta on all motor vehicles). This policy option is available at a reduced premium but is subject to a limited annual mileage of 1,000 miles / 1,600 kilometers. Clients will be eligible for this cover option if at least another standard motor insurance policy is held with Atlas.

What is insured?

Motor Insurance covers the third party liability required by law i.e. any damage caused to persons and property. Limits of liability are €6,450,000 for bodily injury and €1,300,000 for property damage.

Motor vehicles may also be insured for accidental damage and/or fire & theft. Motor vehicles are to be insured on the policyholder's estimate of value, however, this should not exceed the market value at the time of purchasing or renewing cover. The market value is established on the cost of replacing the motor vehicle with another of the same make, model, age and condition including accessories any sign writing or vehicle wrapping. Should repairs be very high compared to the market value, the vehicle may not be viable to repair and a settlement amount is agreed with you.
