Claims Conditions

You must comply with the following conditions to have the full protection of **Your** policy. If **You** do not comply with them, **We** may, at **Our** option, cancel the policy or refuse to deal with **Your** claim.

The first thing **You** must do if any injury, loss or damage happens:

- if property is lost or if theft or malicious damage is suspected, **You** must immediately inform the police and obtain a crime or lost property report/reference number.

We recommend **You** check **Your** policy cover to ensure if the loss or damage is covered – This booklet shows details of what is covered and how claims are settled.

You should always immediately:

- tell **Us**; **You** may phone **Us** on 23 43 53 81
- take all reasonable steps to recover missing property;
- take all reasonable steps to prevent further loss, damage or injury

By calling the above number **We** will take details of the loss and where necessary arrange for someone to call or contact **You** by phone as soon as possible to discuss **Your** claim. This person may be one of **Our** own claims staff or an independent assessor.

What **You** must do after making **Your** claim:

- send to **Us** immediately any writ or summons or any other court document and, as soon as possible, any letter, claim or other document without acknowledgment;
- send written details of **Your** claim to **Us** as soon as possible but not later than 60 days;

What **You** must not do:

- **You** must not admit or deny any claim made by someone else against **You** or make any agreement with them;
- **You** may not abandon any property to **Us**.

Our rights:

We are entitled to:

- take over and conduct in **Your** name, or in the name of any other person insured by this policy, the defence or settlement of any legal action;
- take proceedings at **Our** own expense and for **Our** own benefit, but in **Your** name, or in the name of any other person insured by this policy, to recover any amount **We** have paid or may pay under the policy to anyone;

- **We** shall not make any return premium; and
- **We** may inform the Police of the circumstances.

How We settle claims

We will, at **Our** option, pay in cash the amount of the loss or damage or may repair, reinstate or replace the lost or damaged property. Sums insured or other limits will not be reduced by any claim.

1. Matching sets

An individual pv module forming part of an array is regarded as a single item.

We will pay for individual lost or damaged modules and for clearly definable areas of damage in an array but **We** will not pay for unaffected companion modules or undamaged parts of an array even if matching replacements cannot be obtained.

2. Will a deduction be made for wear and tear?

Provided that:

- a. the sum insured represents the **Full Value** of the property; and
 - b. the property has been maintained in good repair and in accordance with manufacture's instructions;
- then there will be no deduction if repair or replacement is actually carried out;
- If provisos a. and b. above are not complied with there will be a deduction for wear and tear on any property.

3. Other insurance policies

If any liability, loss or damage is covered by any other insurance, **We** will not pay more than **Our** rateable proportion.

4. Grant scheme

If at the time of a claim, there is available a grant scheme against which **You** are entitled to receive a subsidy for the repair or replacement of **Your PV System**, then such subsidy amount will be deducted from any claim.
